Hi Candice, I'll have to get back to you on those dates. Right now I am unavailable due to interviews, but I can try to carve out an hour.

On a related note, I'd also like to meet to discuss our response to EPA's comments on Rule Package 5. We are on a court stipulated deadline for rule-making on that effort. Perhaps we could make this a two hours meeting to discuss both. I'll get back to you ASAP on my availability.

Thanks,

Jason

Subject: Scheduling call to discuss Rule Packages 3/4

Hi all. We are nearing completion of our review of Rule Package 3 and 4. We have a few questions and issues that we would like to discuss so that we can finalize the review. We would

be ready the week of May 22nd to discuss. Are you all available sometime that week (Monday – Wednesday)? If not, let me know if you have some time the following week after Memorial Day.

Thanks and I look forward to talking!

Candice
